

The Tiger

ADMINISTRATION

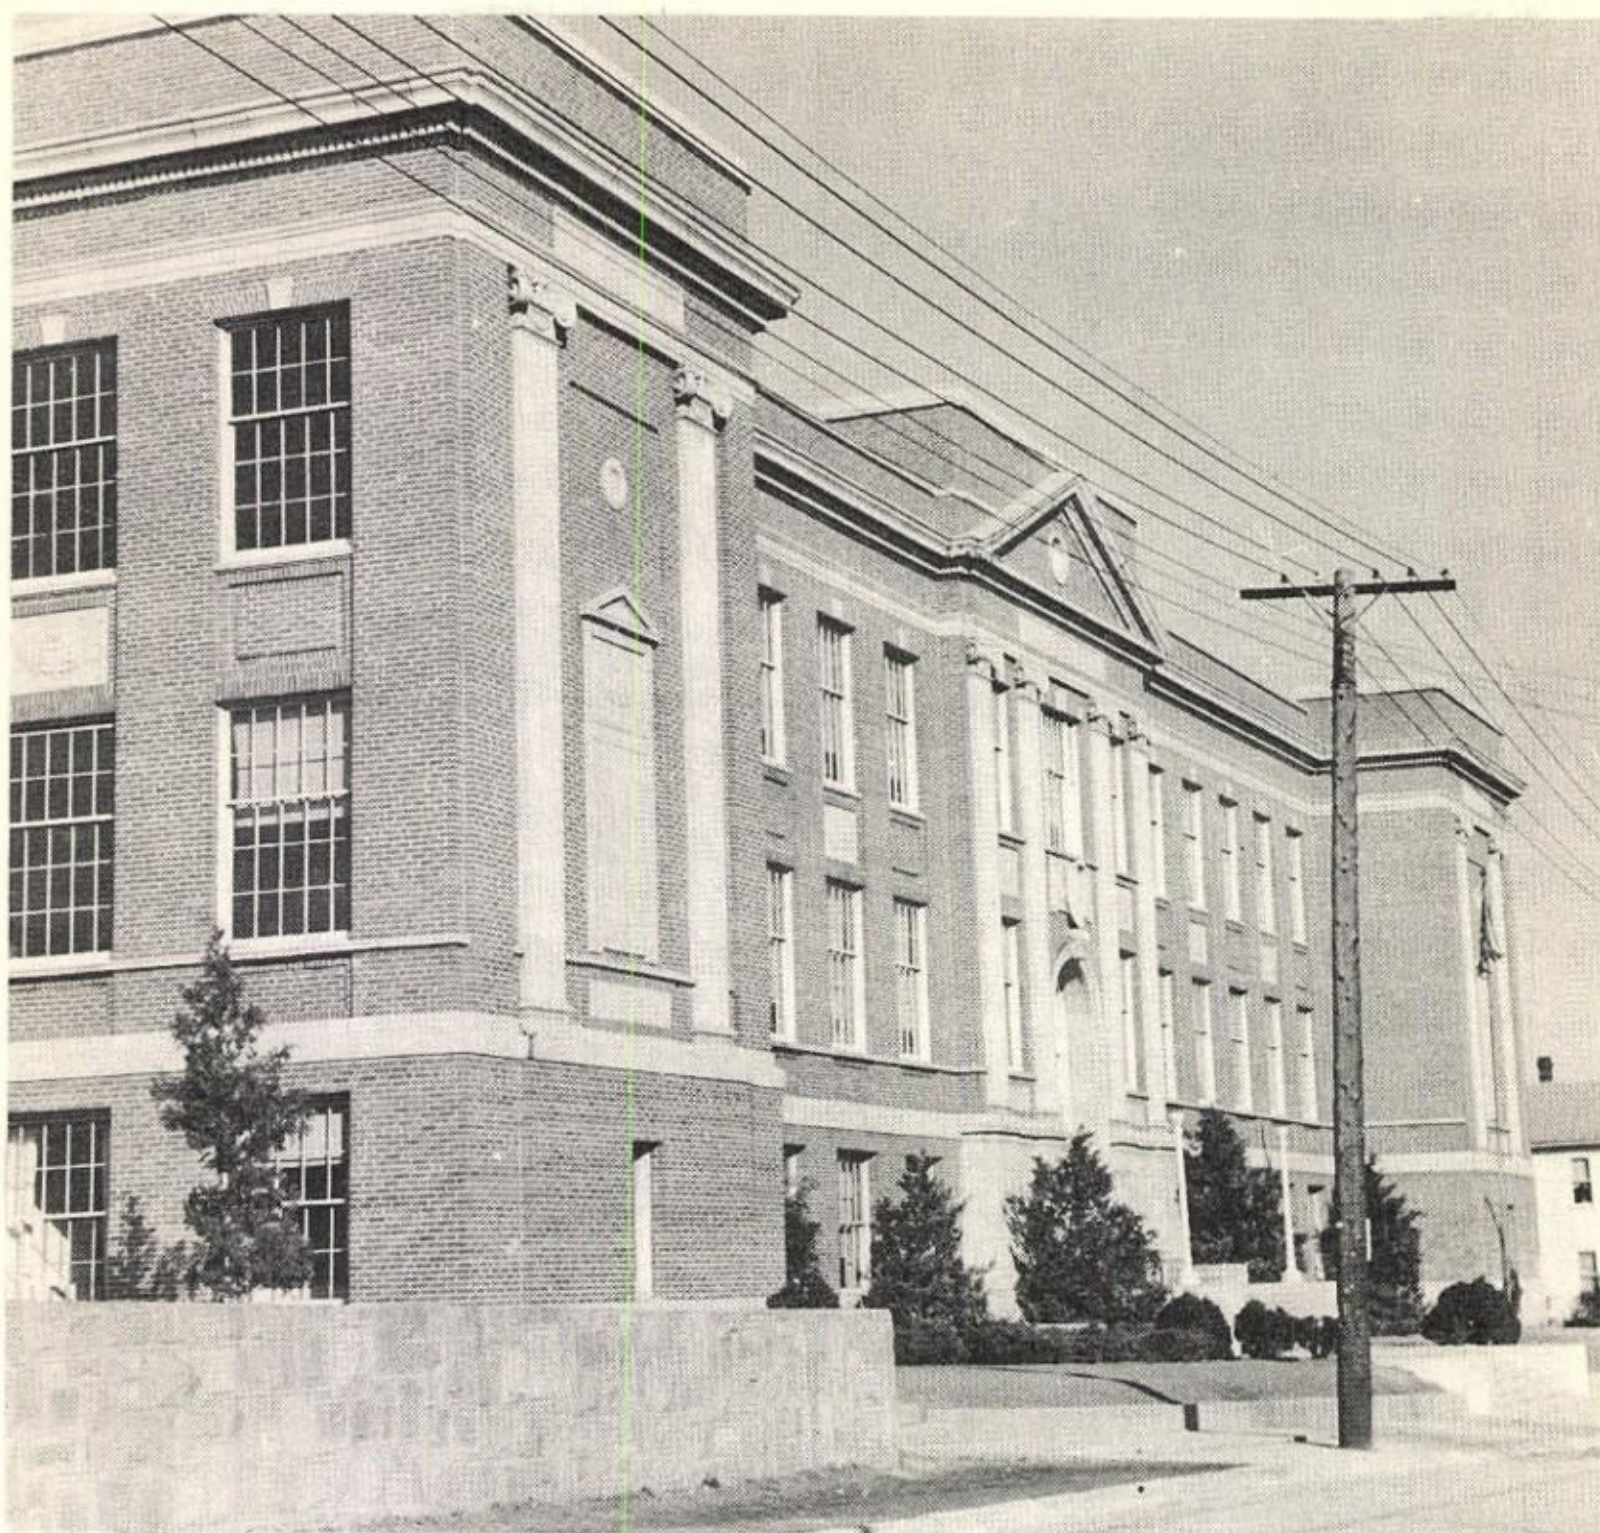

We, the senior class of '50, Princeton High School, are proud to dedicate THE TIGER to Miss Virginia Hatcher, senior class sponsor, in appreciation of her time and effort in helping us complete this annual.

Miss Hatcher has helped us in every way - aiding in the organization of the book, and co-operating to the best of her ability to make it a success.

We have had fun working with the yearbook. Each new page meant a step nearer our goal - a completed, "well worth the effort" book, which would hold the memories of four wonderful years of high school, memories to be treasured long after graduation.

To you, Miss Hatcher, our thanks and appreciation

B. J. K.

FORWARD

Four years...four wonderful years that have passed so quickly that they will soon be just memories, but as we turn through the pages of this **TIGER**, long after we have graduated, the faces of our high school friends and the pictures of the events we shared together, will remind us of the happy yesterdays that we spent in the halls and classrooms of P. H. S.

BJK

MELVIN McCLAIN
PRINCIPAL

We will always remember our principal, Mr. McClain, for he is the one who has guided us through our four years of high school, helped us with our troubles and shared our joys - he is the one who has always been willing to give us advice, who has given us a pat on the back and a word of praise when we needed it, helping to mold us into the strong and fine young people that will be the leaders of tomorrow.

SENIOR CLASS WILL

We, the senior class of 1950, who will soon be one of the many alumni of Princeton High School, passing through these portals from this institution of learning, being supposedly of sound mind and memory, do hereby write and publish this, our last will and testament, revoking all former promises and wills heretofore made by us, and do leave this to our beloved faculty and underclassmen, so that they might realize the deep feeling and love we have for this institution.

ARTICLE I

Section 1. We give and bequeath to the faculty, who have given to us wisdom and knowledge, sweet dreams and restful nights. We also give the faculty all deeds and patents in our possession which express the knowledge and startling information so necessary to the future discoveries of science, literature, history and math.

Section 2. To the class of 1952, we leave our energy and clever ideas that they might attain many accomplishments.

Section 3. To the class of 1953, we leave our brave courage and equanimity so necessary as you see in a vision the day when you shall become a dignified senior.

ARTICLE III

Section 1. As we bequeath the things which we possess, we sincerely hope that they may not be considered as antiques only to be admired and not used, but as gifts showing our generosity and valuable assets to those who will receive them and cherish them always.

SENIOR CLASS

On May 19, 1950, the Senior Class of Princeton High School will have seen the end of four happy years in high school. These years have only been a part of the journey which the Class is taking to "success in life".

Under the sponsorship of Miss Virginia Hatcher and with the co-operation of its leaders - Barbara Thompson-president, Bill Hogan-vice president, Jerry Cooper-secretary, Benny Cooper-treasurer, and Fred Burton and Arbie Hogan-Student Council Representatives - the Class completed its fourth year, which proved to be a succession of days of homework and gabfeasts (in study halls), games and dances, class meetings and parties, and many enjoyable times together.

The class chose as its motto - "Not at the top, but climbing", its colors - blue and white, and its flower - the red rose.
